Dear Alex Goh ,

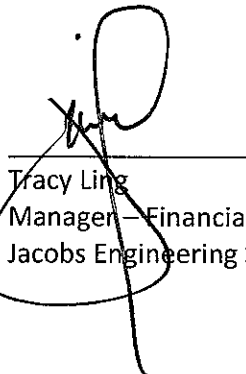

**Subject: Letter of Appreciation**

We would like to express our appreciation for the years of support by AE Computer Systems Pte Ltd to our organization. Our Accpac systems has been taken care by AE Computer for the past 8 years since 2003. We are very satisfied with their prompt and best quality of services and solutions. AE Computer even studied our unique business model and wrote a macro customized program which completely suited with our financial modules that enabled us to automate our project accounting process.

Sage ERP Accpac is clearly designed for financial professionals. With its simplicity and functionality, now we can drive even further efficiencies into the accounting process at Jacobs Engineering Singapore Pte Ltd. Our audit process was simplified with respective cost savings.

We appreciate your assistance and would not hesitate to recommend AE Computer to other corporations.

Yours sincerely,

Tracy Ling
